PRODUCT GUIDE

# Company Profile

## History

The company was established in 1979. Starting as a van sales operation, it has progressed into a daily pre-order delivery service that is second to none.

## Location

With a depot based in Weymouth, we strive to exceed our customers' expectations.

In most cases, we have the ability to deliver orders on a same day basis, which takes away the supply pressures that our customers are faced with during busy times.

## Products

Our extensive product range covers just about all areas of the non-food market. However, we have a flexible approach to our business, so if you require a product that is not currently stocked, we will endeavour to source it for you.

Supplying all the leading branded products, Gavan Catering Supplies offers the very best quality at the most competitive prices.

## Suppliers

Throughout the growth of the company, we have remained loyal to our main suppliers.

This gives us a strong working relationship with them, which in turn, enables us to pass on that support to you, our customer.

To discuss your product requirements, please call:

01305 787711

We are only too happy to advise!

**Novacryl (acrylic floor seal) CLC220**  
 An advanced formula, "high solids", water-based emulsion sealer designed to produce a tough, clear film over the surface of the floor.

**Novaways (Neutral Detergent) CLC320**  
 An efficient, solvent-free cleanser with a broad range of applications, e.g. for the removal of greasy marks, surface dirt, food spillages, etc.

**Nova Starbrite - (Emulsion Stripper) CLC190**  
 A concentrated efficient low foaming cleanser specifically designed to cut through and break up old emulsion polishes without giving off obnoxious ammonia fumes. Recommended for use on vinyl, asbestos, thermoplastic, asphalt, sealed wood and sealed cork.

**Novalonglife - (Emulsion Polish) CLC200**  
 A solids-rich metallised floor dressing for use on rubber, linoleum, vinyl, vinyl asbestos, thermoplastic, asphalt, sealed wood and sealed corkfloors, and as a sealer for vinyl and marmoleum flooring, for a brilliant long lasting shine.

**Novacare - (Floor Maintainer) CLC210**  
 A mopping fluid with a protective residue for use on vinyl, vinyl asbestos, linoleum, thermoplastic, sealed wood, sealed cork, terrazzo and marble floors.

**Novacleer (window and glass cleaner) CLC310**  
 A unique formulation which gives exceptional sparkling streak-free results every time. Effectively removes a wide range of grime including atmospheric grime, nicotine, fingermarks, dust and dead insects.

**Novapol (wax floor polish) CLC230**  
 A blend of waxes in refined spirit. It has been formulated to provide a hard-wearing, lustrous film and to give maximum resistance to dirt and scuff marks.

**Novacross (sanitising & deodorising) CLC130**  
 A multipurpose disinfectant cleanser and deodoriser. Cleans, disinfects and deodorises, all in one operation.

Other British Nova products available include Novalift (degreaser) and Novalite (carpet shampoo)

# PROTECTIVE WORKWEAR & INFECTION CONTROL

With today's demanding hygiene requirements and the growing concerns of cross contamination, Wet Wipes kill off potentially lethal bacteria, spores, fungi and even prevent viruses from passing one product and/or individual to another. Shield Wet Wipes offer a comprehensive answer for surface, utensil, hand and body cleaning and disinfection. Shield Wipes Provide an ideal way of cleaning and/or disinfecting areas where use of liquid is impractical but also as an additional hygiene measure to traditional methods of cleaning for medical, food industry and automotive applications.

## **Advance Wipes**

The latest disinfectant and sanitising wipes technology, made from a synergistic blend of biocides, this wipe ensures extra strength formulation to tackle most bacteria and also spores, fungi and viruses.
